What Fermilab should know

Sci-Tech will be relocating in Batavia next month as a mobile site that will go to the people.

Warrenville opened on the prairie path a trail head right by City Hall with bathroom facilities, refreshments for water, repair facility, honors history of Founder's Area – history of prairie path and railroad, it is lit up at night – near Butterfield and Batavia

Today was National Intern Day – 316 interns, we had the highest number we ever had in 44 years, 316 interns – we celebrated with ice cream – very energetic and diverse group
